

DTAS Assessor and Internal Auditor Course

This course is for anybody wishing to become either a DTAS Assessor (outwith a milk transport operation) or an Internal Auditor (within a milk transport operation).

New DTAS Assessor

For those wishing to become a DTAS Assessor, this course forms an integral part of the New Assessor approval process. The full protocols for new assessor eligibility and approval are available in the DTAS Operating Protocols (Annex 2 – DTAS Assessor Criteria). Anybody considering applying to become a DTAS Assessor, is strongly advised to study this annex, before applying to participate in this course.

Haulier DTAS compliance manager and internal auditor

This course is also designed for the person designated within the haulage operation to manage DTAS compliance and undertake annual self audits. It is recommended to participate in the DTAS Awareness Course (Milk Transport) before participating in this course. This role does not require the additional validation process required for new DTAS Assessors (described in Annex 2 – DTAS Assessor Criteria).
